CHAPTER 1

ATS

101 Access to the ATS

(a) Users shall adopt, implement and enforce control procedures that, at a minimum: (i) prevent unauthorized access to, use or misuse of the ATS, (ii) limit access to the ATS to its Authorized Persons and (iii) prevent entry of Orders that exceed any Risk-Based Limits. Users shall be solely responsible for any breach or failure of their respective control procedures and may not rely on control procedures implemented by the Company or an Intermediary.

(b) Users shall not knowingly introduce or permit the introduction of any Viruses or other software routines or hardware components designed to permit unauthorized access or to disable, erase or otherwise harm the ATS. Each User is solely responsible for ensuring the security of its and its Authorized Persons' connection to the ATS, and is solely responsible for any Losses that may be incurred as a result of errors made by, or the failure of, or delays caused by, the software, hardware or equipment that is used by such User (and its Authorized Persons) to access the ATS, and which is not provided by the Company.

(c) Except as otherwise expressly permitted by the Company, each User shall be responsible for ensuring that it does not grant access to the ATS to any Person located in a country that is not an Authorized Jurisdiction.

(d) A Person's access and use of the ATS (itself or through an Authorized Person and whether or not on behalf of a Customer Account) constitutes an agreement by such Person to be bound by these Rules as a User and, if accessing and using the ATS on behalf of a Customer Account, an agreement by such Person on behalf of such Customer Account to bind such Customer Account to these Rules. If a Person is unwilling to accept and abide by the Rules as a User, such Person should immediately cease all use of the ATS and should request that the Company disable all Access Codes assigned to it or its Authorized Persons.

102 Qualifications of Users

To be eligible for admission as a User, an applicant must:

- (i) be organized in an Authorized Jurisdiction and, if it is organized in a jurisdiction other than the United States, appoint and maintain an agent for service of process in the United States that is acceptable to the Company;
- (ii) be in compliance with any financial responsibility, recordkeeping and reporting requirements set forth under Applicable Law or Rule 202;
- (iii) agree to abide by the Rules, consent to the Company's monitoring with respect to ATS trading activities and cooperate promptly and fully with the Company in any investigation, inquiry, audit or examination regarding compliance with the Rules; and

- (iv) at all times maintain a customer relationship with an Intermediary and retain in force an Intermediary Commitment by such Intermediary in respect of transactions on the ATS.

103 Trading Privileges

Subject to the requirements and procedures set forth in this Chapter 1 and any User Agreement, Trading Privileges shall be offered to Users, subject to any limitation, restriction or revocation from time to time imposed on a User or its Authorized Persons by the Company. Trading Privileges are non-transferable, non-assignable and may not be sold or leased.

104 Limitations

Upon notice that an Intermediary has revoked its Intermediary Commitment to a User, the right of such User and its Authorized Persons to access the ATS will be terminated immediately.

105 Application of Rules and Jurisdiction

(a) Any Person initiating or executing a transaction pursuant to the Rules, directly or through a User, consents to abide by the decisions of the Company in accordance with these Rules.

(b) Any User or Authorized Person whose right to access the ATS is revoked or terminated will remain bound by the Rules and Applicable Law, in each case to the extent applicable, with respect to any and all matters arising from, related to, or in connection with, the status, actions or omissions of such User or Authorized Person in respect of or arising out of its use of ATS prior to such revocation or termination.

106 Trading Fees

(a) Each User or Customer Account, as applicable, shall pay such transaction-based fees to the Company as are in effect from time to time (the “**Trading Fees**”) in conjunction with the execution of transactions on the ATS. Such Trading Fees shall be in the form of spreads or similar price differentials on transactions executed on the ATS. The Company may, at any time, modify any or all of the Trading Fees; provided, that any increases in Trading Fees will become effective twenty (20) days after the Company has provided notice to the Users.

(b) The Company shall not be responsible for, nor have any obligation with respect to, the payment of any sales, use, goods and services, value added, transfer, property or other taxes, any tax in the nature of a withholding tax, and any duty or duties payable in respect of Trading Fees or any part thereof and/or the provision of the ATS, or otherwise (excluding any taxes imposed on the net income of the Company).

107 Modifications to ATS

The Company shall have sole discretion and control over, and the right to modify at any time, the ATS' functionality, configuration, appearance and content, including without limitation:

(i) the selection of Products or transactions generally available on the ATS; (ii) the parameters and protocols by which Orders are placed, routed, matched or otherwise processed by the ATS; and (iii) the availability of the ATS with respect to particular Products or transactions at any particular times or locations. The Company shall endeavor to provide reasonable advance email notice to the Users in the event that such a modification requires technological, operational or systems changes by the Users.

CHAPTER 2 BUSINESS CONDUCT

201 Duties and Responsibilities of Users and Authorized Persons

- (a) Each User and each Authorized Person shall:
 - (i) use the ATS and effect transactions in Products in a responsible manner and not for any improper purpose;
 - (ii) use the ATS only to conduct business that is subject to the Rules and in a manner consistent with the Rules and Company Requirements;
 - (iii) comply with the Rules and Company Requirements and act in a manner consistent with the Rules and Company Requirements;
 - (iv) comply with the requirements established by the applicable Intermediary in relation to transactions on the ATS, as applicable;
 - (v) observe high standards of fair dealing and just and equitable principles of trade while conducting or seeking to conduct any business on or with respect to the ATS;
 - (vi) not knowingly mislead or conceal any material fact or matter in any dealings or filings with the Company;
 - (vii) cooperate promptly and fully with the Company in any investigation or inquiry by the Company regarding compliance with the Rules; and
 - (viii) keep all Access Codes, account numbers and passwords related to the ATS confidential.
- (b) No User or Authorized Person shall:
 - (i) take action or direct another to take action based on nonpublic information regarding Orders, however acquired; provided that the mere statement of opinions or indications of the price at which a market may open or resume trading does not constitute a violation of this Rule;

- (ii) make any fraudulent or misleading communications or engage in any fraudulent act or any scheme to defraud, deceive, trick or mislead in connection with or related to its use of the ATS;
- (iii) manipulate or attempt to manipulate the market in any Product in connection with or related to its use of the ATS;
- (iv) engage in conduct in violation of the Rules or the rules of any Regulatory Authority in connection with or related to its use of the ATS;
- (v) knowingly enter, or cause to be entered, Orders into the ATS other than in good faith for the purpose of executing bona fide transactions; or
- (vi) make any knowing misstatement of a material fact to the Company or any officer of the Company.

(c) Each User shall employ practices to monitor and enforce compliance with its internal risk limits. Subject to the limitations set forth in any Error Trade Policy, each User or Customer Account, as applicable, shall be responsible for all Orders and transactions effected on the ATS by or for the account of such User or Customer Account. Each User shall be responsible for all Orders and transactions effected on the ATS by any Person using its Access Codes, except for transactions effected by third parties if the relevant Access Code (i) was obtained by such third party directly from the Company or (ii) was not terminated by the Company within one (1) Business Day following its receipt of a written request from such User to terminate such Access Code.

202 Minimum Financial and Related Reporting Requirements

Each User must notify the Company immediately upon becoming aware that it fails to satisfy minimum financial requirements applicable to such User and established pursuant to Applicable Law. A User that is unable to demonstrate to the Company that it is in compliance with such minimum financial requirements shall not engage in transactions subject to the Rules except for the purpose of closing open positions.

203 Information Regarding Orders

Each User or other Person receiving any information through the ATS shall not redistribute such information other than to the extent and in the manner as may be expressly permitted by the Company in writing from time to time. The foregoing limitation shall not apply, with respect to a particular User, to its User Data.

CHAPTER 3 TRADING PRACTICES

301 Acts Detrimental to Company Prohibited

No User or any of its Authorized Persons shall intentionally engage in any act that could reasonably be expected to be detrimental to the Company or access the ATS in any way which

could reasonably be expected to bring disrepute upon the Company. Without limiting the generality of the foregoing, it shall be deemed an act detrimental to the Company to (i) permit unauthorized use of the ATS; (ii) assist any Person in obtaining unauthorized access to the ATS; (iii) trade on the ATS without an agreement and an established account with an Intermediary; (iv) alter the equipment associated with the ATS (except with the Company's consent); (v) interfere with the operation of the ATS; (vi) intercept or interfere with information provided thereby; or (vii) in any way use the ATS in a manner contrary to the Rules.

302 Violative Pre-Execution Communication Prohibited

No User or Authorized Person may engage in any pre-execution communication for an illegal purpose or in violation of Applicable Law.

303 Risk-Based Limits

Each Intermediary may establish Risk-Based Limits for one or more Products as between a User and such Intermediary and may grant exemptions from Risk-Based Limits in certain circumstances. Prior to entering any Order, each User shall take reasonable steps not to exceed the Risk-Based Limits established by the applicable Intermediary. A User may not enter Orders on the ATS that, if executed, would cause it to exceed Risk-Based Limits imposed by an Intermediary for transactions by a User.

304 U.S. Treasury Hedging

All spread-based Corporate or Municipal Bonds on the ATS will trade against a reference benchmark U.S. Treasury bond. The Company will offer Authorized Traders the ability to hedge the interest rate component of spread-based transactions on the ATS. The Company shall endeavor to follow standard market convention for the particular U.S. Treasury benchmark for each Corporate or Municipal Bond traded on the ATS for which such hedging is offered. The Company shall take commercially reasonable efforts to ensure that U.S. Treasury bond pricing and execution is received from a widely accepted liquidity provider. The price for spotting and crossing U.S. Treasury bonds in a given Trading Swarm shall be identical, and shall be determined by the Company promptly at the end of such Trading Swarm. Each Authorized Trader of a User shall be required to affirmatively change his/her preference whether or not to spot or cross U.S. Treasury bonds if he/she so chooses before entering a spread-based Order. Any decision of such Authorized Trader to spot or cross U.S. Treasury bonds on the ATS shall be binding on the applicable User.

305 Trade Confirmations

The economic terms specific to a transaction agreed by Users, for itself or on behalf of its Customer Accounts, shall be reflected in a written communication (the "**Trade Confirmation**") sent to each such User by the applicable Intermediary.

306 Trade Cancellations and Adjustments; Error Trade Policy

(a) Error Trade Policy. The Company may cancel any Trumid Market Center trade that it determines would be detrimental to market integrity. All determinations of the Company to cancel a trade, or to decline to cancel a trade, shall be final, and the Company shall not have any liability for Losses

arising out of determinations made by the Company pursuant to this Rule, notwithstanding the limitations on liability otherwise set forth in Rule 608.

(b) Determination to Review a Trade. The Company may determine to review a Trumid Market Center trade based on its independent analysis of market activity or upon request for review by a User. A request for review must be made within 15 minutes of the execution of the trade, and the Company shall determine whether to review a trade promptly after such request has been received. In the absence of a timely request for review, during volatile market conditions, upon the release of significant news, or in any other circumstance in which the Company deems it to be appropriate, the Company may determine, in its sole discretion, that a trade shall not be subject to review. Upon deciding to review a trade, the Company will promptly issue an alert to involved Users indicating that the trade is under review. If the Company accepts a request for review, the Company shall complete such review within one Business Day after it accepts such request unless it notifies involved Users that it is unable to complete its review during this time period.

(c) Liability for Cancelled Trades. A Person responsible for an Order that results in a cancelled trade may be liable for the reasonable out-of-pocket Losses incurred by a Person whose trade was cancelled.

(d) Trade Cancellation Procedures. Upon a determination by the Company that a trade shall be cancelled, that decision will be implemented. The cancelled trade shall be reflected as cancelled in the Company's official records and, if applicable, shall be reported by the Company to the applicable Intermediary.

(e) ATS Malfunctions and Employee Errors. If a User believes that an Order was incorrectly displayed, executed and/or reported, it may request review of the Order and any resulting transaction. Upon receipt of such a request for review, the Company will review its records to determine if the Order was correctly displayed and/or executed by the ATS. If, as a result of that review, the Company determines that a mistake occurred as a result of a malfunction in the ATS or as a result of an error by an employee of the Company, the transaction will be canceled or adjusted, as appropriate, but the Company shall not be liable therefor except as provided in Rule 608. The Company will document in writing all requests for review, the time and manner in which it reviewed its electronic audit trail and other information in response to the request, the outcome of that review, and any action taken by the Company in response to that review. A decision by the Company to cancel a trade will be made as soon as practicable, and the Company shall notify Users and the applicable Intermediary of any such decision.

(f) Alternative Resolution by Agreement of Parties.

- (i) With the approval and through the facilitation of the Company, parties to a trade that is under review may instead mutually agree to cancel or adjust the price of the trade.
- (ii) Subject to clause (i) and through the facilitation of the Company, parties to a trade that is canceled or that has had its price adjusted may mutually agree to a cash adjustment.

- (iii) Any cancellation or adjustment made pursuant to this paragraph (f) shall be reported immediately to the applicable Users by the applicable Intermediary or Intermediaries. The parties shall maintain a record of such cancellation or adjustment.
- (g) Trade Rejections. Users shall promptly inform the Company if they receive a Trade Confirmation they believe to be in error. No User may reject or “DK” any transaction executed on the ATS without the prior approval of the Company.

307 Delays and Cessation of Trading

The Company may, in its reasonable judgment and without liability to any User, Authorized Trader or other party, delay the commencement of any Trading Swarm or cease an ongoing Trading Swarm if news or events warrant such action. Any such delay or cessation of a Trading Swarm shall be electronically communicated as soon as is practicable, to the extent possible, to all Authorized Traders.

CHAPTER 4 TERMINATION, LIMITATION OR SUSPENSION OF ACCESS

401 Determinations of the Company

The Company may decide to suspend, limit or terminate a User’s or Authorized Person’s right to access the ATS. Any such decision by the Company (x) shall be made in a non-discriminatory manner, (y) will be the final action of the Company and (z) will not subject to appeal.

402 Responsibilities after Termination

When the right of a User or Authorized Person to access the ATS is terminated, all of its rights will terminate. Any suspension or termination of access rights will not relieve the User (as to itself or any Customer Account, as applicable) or any Authorized Trader of its obligations under the Rules to perform any transactions entered into before the suspension, or for any Company fees, costs, or charges incurred prior to termination.

CHAPTER 5 INTERMEDIARIES

501 Relationship with Intermediary

(a) Each User (on behalf of itself or a Customer Account, as applicable) must obtain prior authorization from the Intermediary that will guarantee such User’s transactions on the Trumid Market Center, subject to applicable Risk-Based Limits.

(b) From the time that an Intermediary has provided the Company with evidence reasonably satisfactory to the Company of a written agreement with a User pursuant to which (x) such User has engaged such Intermediary to act as a counterparty in respect of Trumid Market Center trades, and (y) such Intermediary has made an Intermediary Commitment to such User

and will act as counterparty to such User's Trumid Market Center transactions (subject to applicable Risk- Based Limits) to the earlier of the time that (A) such User provides the Company with written notice of the termination of its agreement with such Intermediary or its desire not to engage such Intermediary to act as a counterparty to trades arising from the Trumid Market Center, or (B) such Intermediary provides notice to the Company of its revocation of its Intermediary Commitment to such User or the termination of its relationship with such User, and in any case, the Company has taken, in accordance with the applicable Intermediary Agreement, the steps necessary to ensure that such User is unable to enter into transactions on the ATS, such Intermediary shall be responsible for all broker to customer obligations to such User, including supervision of trading or investment activity in any account, suitability determinations, extensions of credit, the suitability of trading on margin, preparation of account statements, disclosure of the fees and expenses charged to such User, execution of Orders, settlement and clearance, receipt and delivery of funds and securities, including any U.S. Treasury hedges, in accordance with and pursuant to the applicable Intermediary Agreement in respect of trades arising from the Trumid Market Center to which such User is a party.

(c) An Intermediary may, upon written notice to the Company, revoke its Intermediary Commitment to a User. Such Intermediary Commitment will remain in effect for all transactions for which Orders were submitted to the Trumid Market Center prior to the Company having taken, in accordance with the applicable Intermediary Agreement, the steps necessary to ensure that the User is unable to enter into transactions on the ATS. Upon the effectiveness of the revocation of an Intermediary Commitment given pursuant to this Rule 501(c), the right of the User to enter into transactions on the ATS will be automatically terminated. No revocation of an Intermediary Commitment by an Intermediary to a User shall terminate or otherwise modify such User's obligations with respect to any transactions executed prior to the Company's effectuation of such revocation.

(d) In the event that an Intermediary's customer relationship with a User has terminated or the Intermediary has revoked its Intermediary Commitment to such User (as contemplated by Rule 501(c)), such User will immediately cease activities on the ATS and will no longer be permitted to enter into transactions on the ATS unless and until such User enters into a contractual relationship with another Intermediary in respect of transactions on the ATS in accordance with this Rule 501. No termination of the Intermediary's customer relationship with a User, or the applicable User Agreement, shall terminate or otherwise modify such User's obligations with respect to any transactions executed prior to the Company's revocation of such User's Trading Privileges.

CHAPTER 6 MISCELLANEOUS

601 Proprietary Data and Information; Transaction Data

(a) Each User and the Company shall maintain the other Person's Proprietary Data and Information in strict confidence and not disclose such information to third parties or use such information for any purpose whatsoever other than for the use or provision of the ATS. Each User and the Company each agrees to advise its employees, officers, directors or agents who may receive access to Proprietary Data and Information of their obligations to keep such information confidential, and each User and the Company shall

be responsible for any unauthorized disclosures by its respective employees, officers, directors or agents.

(b) Each User, on one hand, and the Company, on the other hand, may disclose the Proprietary Data and Information of the other Person (i) with the consent of such other Person, (ii) to the extent required pursuant to any Applicable Law, (iii) pursuant to a subpoena, court order, audit or inquiry by a Regulatory Authority, (iv) as requested or legally required by any Regulatory Authority, (v) that such Person deems it advisable to provide to such Regulatory Authority, (vi) that is reasonably necessary to defend itself against any claim or proceeding brought against such Person or its Affiliates, (vii) to the applicable Intermediary or (viii) as otherwise permitted under these Rules and the applicable User Agreement; provided, that in the case of disclosure pursuant to clause (iii), prior notice of such disclosure shall be provided to the non-disclosing Person (if legally permitted) as soon as practicable in order to permit the non-disclosing Person to seek a protective order or take other appropriate action to safeguard the Proprietary Data and Information (it being agreed that if the non-disclosing Person is unable to obtain or does not seek a protective order and the receiving Person is legally compelled to disclose Proprietary Data and Information, such disclosure shall be permitted hereunder). Each Person may also disclose Proprietary Data and Information, subject to appropriate confidentiality requirements, (x) to its Affiliates and (y) to its managing members (or equivalent), officers, attorneys, auditors, other professional advisors, agents, suppliers and independent contractors to whom the provision of such information is reasonably required for purposes of performance of obligations under these Rules and the applicable User Agreement or, solely with respect to the Company, the operation of the ATS; provided, that in each instance, the relevant Person shall be responsible for any unauthorized disclosures by its Affiliates, managing members (or equivalent), officers, attorneys, auditors, other professional advisors, agents, suppliers and independent contractors.

(c) The Company will not use any Proprietary Data and Information of any User other than for the purpose of fulfilling its regulatory obligations; provided, however, that the Company may use Proprietary Data and Information of a User for business or marketing purposes if the User consents to the Company's use of such Proprietary Data and Information. The Company may use and disclose to other Persons information (other than any User's identity or Proprietary Data and Information) that is displayed to all Users in the ordinary course in the operation of the ATS.

(d) Upon termination of a User's User Agreement, each of such User and its Customer Accounts (if any), on the one hand, and the Company, on the other hand, shall promptly return to the other all Proprietary Data and Information of such other party; provided, that a party may retain such Proprietary Data and Information solely for its records if such party is required to do so by Applicable Law and continues to comply with this Rule 601 with respect to such materials or documents.

(e) The Company shall have no duty to disclose to any User or Customer Account any information, matter or fact relating to the use of the ATS by any other User, other than as required by Applicable Law.

(f) Subject to each User's rights in its User Data, the Company owns all Intellectual Property Rights in Transaction Data, and all derivative works (excluding User Data) based

thereon. Users and other Persons affiliated with any of the foregoing (including Customer Accounts) may not distribute, sell or retransmit Transaction Data to any third party without the consent of the Company; provided that (i) each User retains such rights as it may enjoy under Applicable Law with respect to User Data solely in the form such User Data was submitted to the Company by such User and (ii) a User shall be entitled to disseminate User Data through the normal course of business in a manner commonly practiced by like Persons as of the effective date of these Rules.

(g) Notwithstanding any other provision of this Rule 601, each User hereby grants the Company a non-exclusive, perpetual, transferable, world-wide and royalty-free license (without warranties of any kind, express or implied) to any and all rights as such User may have in and to User Data, including, but not limited to, the right to use User Data, in any manner, media and jurisdiction, for the benefit of the Company and/or its Affiliates, and to disclose User Data, in any manner, media and jurisdiction, solely on an aggregated basis that does not directly or indirectly identify any User, Authorized Person, Customer Account or counterparty. Except as may otherwise be permitted by this Rule 601, in any written agreement between the Company and such Person, or as may be required by Applicable Law, the Company shall not otherwise disclose User Data.

(h) Each User hereby acknowledges and agrees, on behalf of itself and each of its Affiliates, that the Company owns and shall retain all right, title and interest in and to the ATS, any other systems or services provided by the Company, or any services, equipment or facilities used to support such systems or services and all components thereof, including without limitation all related applications, all application programming interfaces, user interface designs, software and source code and any and all Intellectual Property Rights therein, including without limitation all Intellectual Property Rights in or to the ATS and all other related proprietary rights of the Company and/or any of its Affiliates (collectively, with any and all enhancements, corrections, bug fixes, updates and other modifications to any of the foregoing and any and all data or information of any kind, other than Proprietary Data and Information and User Data, transmitted by means of any of the foregoing, “**Company Intellectual Property**”). Each User, on behalf of itself and each of its Affiliates, further acknowledges and agrees that the Company Intellectual Property is the exclusive, valuable and confidential property of the Company. Each User acknowledges and agrees that it shall not, and shall not permit its Affiliates to, reverse engineer, copy, bug fix, correct, update, transfer, reproduce, republish, broadcast, create derivative works based on or otherwise modify, in any manner, all or any part of the ATS or the Company Intellectual Property. Each User, further agrees to, and to cause each of its Affiliates to, keep the Company Intellectual Property confidential and not to transfer, rent, lease, loan, sell or distribute, directly or indirectly, all or any portion of the ATS or any Company Intellectual Property.

602 Use of Third Party Providers

From time to time a User may request or send instructions to the Company authorizing the Company to deliver or transmit such User’s data (including User Data) and the data of its Customer Accounts, if applicable, to certain designated third party providers of such User. In this event, such User acknowledges and agrees that the Company shall have no liability whatsoever to such User or any third party in respect of such delivery or transmission or such providers’ possession, access, use, misuse or protection of such data.

603 Extension or Waiver of Rules

The Company may, in its sole discretion, waive, or extend the time period for performing, any act or acts designated by the Rules, but only to the extent such waiver or extension is not inconsistent with Applicable Law.

604 Effect of Amendment, Repeal or New Rule

The Company may amend or repeal any Rule and/or adopt new Rules. Any such amendment or repeal of a Rule or adoption of a new Rule, shall, upon the effective date of such amendment, repeal or adoption, as applicable, be binding on all Persons doing business with the Company and, unless otherwise required by Applicable Law, all Products transactions entered into after such effective date. The Company will provide notice to each User of any such amendment, repeal or adoption at least twenty (20) days prior to the effective date of such amendment, repeal or adoption. Notice of any such amendment, repeal or adoption may be published on the Company's website. In such case, the Company will deliver a notification by email to the Users that such a notice has been published on the Company's website. Users are responsible for keeping informed of all such additions, modifications or clarifications when and as posted and notified.

605 Signatures

Rather than rely on an original signature, the Company may elect to rely on a signature that is transmitted, recorded or stored by any electronic, optical, or similar means (including but not limited to telecopy, imaging, photocopying, electronic mail, or electronic data interchange) as if it were (and the signature shall be considered and have the same effect as) a valid and binding original.

606 Governing Law; Legal Proceedings

(a) The Rules, and the rights and obligations of the Company and all other Persons under the Rules shall be governed by, and construed in accordance with, the laws of the State of New York applicable to contracts executed and performed wholly within the State of New York without regard to any provisions of New York law that would apply the substantive law of a different jurisdiction.

(b) Subject to Rule 608(j), unless otherwise agreed by the Company and a User in such User's User Agreement or if required to be arbitrated under the auspices of FINRA, any action, suit or proceeding against the Company, its officers, directors, limited liability company members, employees, or agents, must be brought within one year from the time that a cause of action has accrued. Any such action, suit or proceeding, if not required to be arbitrated under the auspices of FINRA, shall be brought in the State or Federal courts located within the Borough of Manhattan in the City of New York. Each User expressly consents to the jurisdiction of any such court, waives any objection to venue therein, and waives any right it may have to a trial by jury. The Company and the Users agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in the Rules or in such other manner as may be permitted by Applicable Law shall be valid and sufficient service thereof.

(c) In the event that a User, Authorized Person or an Affiliate of any of the foregoing fails to prevail in a lawsuit or other legal proceeding instituted by such Person against the Company or any Affiliate of the Company or any of their respective officers, directors, equity holders, employees, agents, or any member of any committee, and related to the business of the Company, such Person shall pay to the Company or to such Affiliate all reasonable expenses, including attorneys' fees and expenses, incurred by the Company in the defense of such proceeding.

(d) Any breach by a User of its obligations under Rule 601 may cause the Company irreparable harm and damage and therefore agrees that, in addition to any other rights or remedies that may be available to the Company at law or in equity, the Company shall be entitled to seek appropriate injunctive relief, without the posting of any bond or security.

607 Emergencies

During an Emergency, the Company may implement temporary emergency procedures and rules ("**Emergency Rules**"), subject to Applicable Law. If the Chief Executive Officer or his designee determines that Emergency Rules must be implemented with respect to an Emergency, the Chief Executive Officer or his designee shall have the authority to implement Emergency Rules with respect to such Emergency as he deems necessary or appropriate to respond to such Emergency, and the Company shall post such Emergency Rules on its website.

608 LIMITATION OF LIABILITY; NO WARRANTIES

(a) EXCEPT AS PROVIDED BELOW OR OTHERWISE AGREED BY THE COMPANY AND A USER IN SUCH USER'S USER AGREEMENT, AND EXCEPT IN INSTANCES IN WHICH THE DISCLAIMING PARTY (DEFINED BELOW) HAS BEEN FINALLY ADJUDICATED BY A COURT OF COMPETENT JURISDICTION OR, IF APPLICABLE, FINRA ARBITRATION PANEL TO HAVE ENGAGED IN FRAUD, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, IN WHICH CASE THE DISCLAIMING PARTY FOUND TO HAVE ENGAGED IN SUCH CONDUCT CANNOT AVAIL ITSELF OF THE PROTECTIONS IN THIS RULE 608, NEITHER THE COMPANY, NOR ANY AFFILIATE OF THE COMPANY, NOR ANY OF THEIR RESPECTIVE MANAGING MEMBERS, OFFICERS, EMPLOYEES, EQUITY HOLDERS, AGENTS, CONSULTANTS OR SERVICE PROVIDERS, NOR OTHER GOVERNING BODY OF THE COMPANY OR ANY AFFILIATE OF THE COMPANY (EACH OF THE FOREGOING, AS APPLICABLE, THE "**DISCLAIMING PARTY**"), SHALL BE LIABLE TO ANY PERSON FOR ANY LOSSES ARISING OUT OF OR IN CONNECTION WITH:

- (i) ANY FAILURE, MALFUNCTION, FAULT IN DELIVERY, DELAY, OMISSION, SUSPENSION, ERROR, INACCURACY, INTERRUPTION, TERMINATION, OR ANY OTHER EVENT, IN CONNECTION WITH THE FURNISHING, PERFORMANCE, OPERATION, MAINTENANCE, USE OF OR INABILITY TO USE, OR THE UNINTENDED AND UNFORESEEN RESULTS OBTAINED BY ANY PERSON RESULTING FROM SUCH USE, ALL OR ANY PART OF ANY OF THE SYSTEMS AND SERVICES OF THE COMPANY,

OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS AND SERVICES, INCLUDING WITHOUT LIMITATION, ELECTRONIC ORDER ENTRY AND DELIVERY, TRADING THROUGH ANY MEANS, ELECTRONIC COMMUNICATION OF TRANSACTION DATA OR INFORMATION, WORKSTATIONS USED BY USERS OR AUTHORIZED PERSONS, PRICE REPORTING SYSTEMS AND ANY AND ALL TERMINALS, COMMUNICATIONS NETWORKS, CENTRAL COMPUTERS, SOFTWARE, HARDWARE AND FIRMWARE RELATING THERETO; OR

- (ii) ANY FAILURE OR MALFUNCTION, FAULT IN DELIVERY, DELAY, OMISSION, SUSPENSION, INACCURACY, INTERRUPTION OR TERMINATION, OR ANY OTHER EVENT, OF ANY SYSTEM OR SERVICE OF THE COMPANY, OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES, CAUSED BY ANY THIRD PARTIES INCLUDING, BUT NOT LIMITED TO, INDEPENDENT SOFTWARE VENDORS AND NETWORK PROVIDERS; OR
- (iii) ANY ERRORS OR INACCURACIES IN INFORMATION PROVIDED BY THE COMPANY OR ANY OF THE COMPANY'S SYSTEMS, SERVICES OR FACILITIES; OR

Any use by Subject User outside of the clearing and settlement of transactions requires a license from CGS, along with an associated fee based on usage. Subject User agrees that misappropriation or misuse of such materials will cause serious damage to CGS and ABA, and that in such event money damages may not constitute sufficient compensation to CGS and ABA; consequently, Subject User agrees that in the event of any misappropriation or misuse, CGS and ABA shall have the right to obtain injunctive relief in addition to any other legal or financial remedies to which CGS and ABA may be entitled.

(b) Subject User agrees that Subject User shall not publish or distribute in any medium the CUSIP Database or any information contained therein or summaries or subsets thereof to any person or entity except in connection with the normal clearing and settlement of security transactions. (c) NEITHER CGS, ABA NOR ANY OF THEIR AFFILIATES MAKE ANY WARRANTIES, EXPRESS OR IMPLIED, AS TO THE ACCURACY, ADEQUACY OR

COMPLETENESS OF ANY OF THE INFORMATION CONTAINED IN THE CUSIP DATABASE. ALL SUCH MATERIALS ARE PROVIDED TO SUBJECT USER ON AN "AS IS" BASIS, WITHOUT ANY WARRANTIES AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE NOR WITH RESPECT TO THE RESULTS WHICH MAY BE OBTAINED FROM THE USE OF SUCH MATERIALS. NEITHER CGS, ABA NOR THEIR AFFILIATES SHALL HAVE ANY RESPONSIBILITY OR LIABILITY FOR ANY ERRORS OR OMISSIONS NOR SHALL THEY BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT OR INDIRECT, SPECIAL OR CONSEQUENTIAL, EVEN IF THEY HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL THE LIABILITY OF CGS, ABA OR ANY OF THEIR AFFILIATES PURSUANT TO ANY CAUSE OF ACTION, WHETHER IN CONTRACT, TORT, OR OTHERWISE, EXCEED THE FEE PAID BY SUBJECT USER FOR ACCESS TO SUCH MATERIALS IN THE MONTH IN WHICH SUCH CAUSE OF ACTION IS ALLEGED TO HAVE ARISEN. FURTHERMORE, CGS AND ABA SHALL HAVE NO RESPONSIBILITY OR LIABILITY FOR DELAYS OR FAILURES DUE TO CIRCUMSTANCES BEYOND THEIR CONTROL.
